

## **Sign a Commitment to Engage in and Support Non-Violent Efforts to End All War**

---

### [Individual Declaration of Peace](#)

**I understand that wars and militarism make us less safe rather than protect us, that they kill, injure and traumatize adults, children and infants, severely damage the natural environment, erode civil liberties, and drain our economies, siphoning resources from life-affirming activities. I commit to engage in and support nonviolent efforts to end all war and preparations for war and to create a sustainable and just peace.**

I agree with the statement above, and as a demonstration of my commitment: (check what you commit to do)
